

What an unforgettable debut for Diamond Elite Cheer!

This past weekend marked our very first competition, and our athletes stepped onto the mat with confidence, determination, and heart. From the moment the music started, it was clear—this team came ready to shine.

Our athletes showcased incredible skill, teamwork, and resilience. Every stunt hit, every motion was sharp, and every routine reflected the hard work put in during countless practices. More than the performance, what stood out most was the unity and support our athletes showed for one another.

Special Spotlight – Team Onyx

Team Onyx delivered a powerful performance and earned 2nd place out of 4 teams

Even more impressive—despite receiving a deduction, they still fought their way into the top 2. That speaks volumes about their talent, execution, and determination. This is what resilience looks like.

This competition wasn't just about placements—it was about: Building confidence, Gaining experience, Growing as a team, and Setting the tone for an incredible season ahead
And Diamond Elite did exactly that.

We are beyond proud of every athlete who stepped on that mat and represented our program with excellence. You embodied what it means to be part of Diamond Elite Cheer—strength, dedication, and heart.

A huge thank you to our coaches, families, and supporters who continue to pour into this program. Your encouragement and commitment make all the difference. This is just the beginning.

We're excited, we're motivated, and we're ready for what's next.
Better Together, Diamond Forever.
